

18th October 2019

Dear Parent/Carer

I am delighted to let you know that the work to ensure our network is ready for student iPads and we will be able to move forward with all students receiving an iPad after half term.

To ensure a smooth rollout of iPads the following timetable has been devised to enable you to collect the iPad. Parents and students are required to attend the short iPad information presentation and then they will be able to collect their iPad. If you are unable to attend this meeting with your child then they will not be able to take their iPad home on this day. We can arrange a convenient time later in the week or the following week. To ensure a smooth roll out both parent and student must attend the presentation for their year group.

Monday 4th November:

4.00pm to 5.00pm Year 7

5.15pm to 6.15pm Year 11

Tuesday 5th November:

4.00pm to 5.00pm Year 10

Wednesday 6th November:

4.00pm to 5.00pm Year 8

5.15pm to 6.15pm Year 9

We will also be holding a helpdesk evening on the week commencing 11th November which you will be able to book a specific time. Details of this event will come out after half term.

The use of iPads are an effective tool to aid learning, and independence and we are pleased that we are able to offer this to all our students.

I hope you have an enjoyable half-term break and I look forward to seeing your son/daughter at the start of the new term.

Yours sincerely

Peter McKinniss
Senior Assistant Headteacher
