

Fowey River Academy

Winter/Spring 2022

NixX
programme

What is the MixX Project at Fowey River Academy?

This booklet highlights all of the MiXx Project sessions available to students in Phase 2 of our MiXx Programme rollout.

How do I attend a session?

In order to monitor numbers you will need to complete the Google Form <https://forms.gle/n2veB4NipwDHkimy8> from a school google account - this has also been emailed to all students. Here you can indicate which sessions you would like to attend.

There is a wide variety of activities on offer and the expectation is that everyone will participate in some of these opportunities.

All sessions will run under the same Covid guidelines that students are following during lessons and around the Academy

Getting to sessions

Students will meet the teacher running the session in their activity location

Getting Home

For the Wednesday and Thursday after school sessions there will be a late bus service that leaves the Academy at 16.45. This service is currently free to students and will drop you close to your normal bus stop. You will need to sign up for this service using the google form you have been emailed
